

WORKPLACE SAFETY FIRST INITIATIVE:

The... "Safety First" Key Holder!

The **LeClasp "Safety First" Branded KEY Holders (#1450)** are an effective vehicle (giveaway, handout, safety-related promotional gift) to help JH&S committees **reinforce** specific WORK SAFE messages and slogans.

The multi-function and practical **LeClasp Key Holders** come decorated with your choice of 75+ Safety First Branded message or slogan on the **FRONT side**. For a small fee, the **BACK side** can be completely customized with the company logo and personalized with the Joint Health and Safety Committee slogan (#1252).

FRONT Side Safety First Message:

75+ SAFETY FIRST BRANDED MESSAGES IN-STOCK.

ITEM# 1450 - White Nickel Plated Finish
LeClasp Key Holder ships with 4 split rings, instruction leaflets and packaged in a ziploc polybag.

The most significant impact occurs when WORKERS family, relatives and acquaintances **SEE** the very noticeable\recognizable **GREEN Safety First** symbol and "unconsciously" enquire about the Wh-questions (Who? What? Where? When? Why?) of the **work safe warning, reminder and reinforce** ment message or slogan displayed on the key holder. **EACH WORKER** should anticipate explaining the safety issue being addressed at least **TEN TIMES** during the first week!

Recommended WORKER giveaway at safety-themed seminars, workshops, meetings, new-hire (student) orientation classes, annual NIOSH safety week activities, commemorating safety milestones... **WOW impact guaranteed.**
