

**Preventing Jewellery-Related Injuries in Sports:**

**LeClasp JEWELLERY Holder -  
For Athletes Participating in Sports**

As you are aware, it is **unsafe** to wear **jewellery** when **working out** in indoor and outdoor sports facilities.

For this reason, it is compulsory in the majority of [sports leagues](#) (basketball, softball, karate, hockey...) to **remove any-and-all jewellery BEFORE** training or playing.

That's why we see **parents** and **coaches** constantly **hounding** children to **leave jewellery at home** or... **gathering up earrings, piercings, wristwatches, rings, anklets** and other **miscellaneous accessories** that could be **broken** or **cause harm** before a game. [more](#)

As part of a team or league [Sports Safety Initiative](#) to prevent jewellery-related accidents and injuries, we **recommended** handing out **LeClasp Sports Jewellery Holders** to **amateur participants, professional athletes, team sports members, professional wannabee competitors, golfers** and **sponsors\corporations** searching for tournament giveaways.
